

# 20+22 Cartoons, Jokes & Humor

Commonway's Year-End Gift to You!

I am putting out this “20+22” joke compilation, along with a request for donations to Commonway, a 501(c)(3) nonprofit organization, with the mission of “Creating a World That Works for ALL.”

I could accompany a request for funds with all sorts of dire statistics, unpleasant photos of sick animals or malnourished babies, images of fear and hate... the kinds of things you’re getting bombarded with right now by everyone else.

Or, I can tell you a few jokes, you pull out your credit card, click on the “Donate” button and make a secure donation for...

## **A World That Works for ALL LIVING BEINGS.**

Thank you,

Shariff Abdullah

**Feel free to forward to others**

So he allows the kids to jump and play on this Lamborghini. The best part is that the kids are not his and neither is the Lamborghini.

**I was out walking with my 5-year-old daughter. She picked up something off the ground and started to put it into her mouth. I took the thing away from her and asked her not to do that. "Why?" she asked. "Because it's been on the ground, and**

*At this point, my daughter looked at me with absolute admiration and asked, "Mom, how do you know all this stuff? You are so smart."*

*I thought quickly and replied, "All moms know this stuff. It's on the Mom Test. You have to know it, or they don't let you be a Mom."*

*We walked along in silence for two or three minutes, but she was evidently pondering this new information.*

*"Oh, I get it!" she beamed, "So if you don't pass the test, you have to be the dad."*

*"Exactly," I said.*

THESE ARE ACTUAL COMPLAINTS RECEIVED BY "THOMAS COOK VACATIONS" FROM DISSATISFIED CUSTOMERS:

1. "They should not allow topless sunbathing on the beach. It was very distracting for my husband who just wanted to relax."
2. "On my holiday to Goa in India, I was disgusted to find that almost every restaurant served curry. I don't like spicy food."
3. "We went on holiday to Spain and had a problem with the taxi drivers as they were all Spanish."
4. "We booked an excursion to a water park but no-one told us we had to bring our own swimsuits and towels. We assumed it would be included in the price."
5. "The beach was too sandy. We had to clean everything when we returned to our room."
6. "We found the sand was not like the sand in the brochure. Your brochure shows the sand as white but it was more yellow."
7. "It's lazy of the local shopkeepers in Puerto Vallartato close in the afternoons. I often needed to buy things during 'siesta' time -- this should be banned."
8. "No-one told us there would be fish in the water. The children were scared."
9. "Although the brochure said that there was a fully equipped kitchen, there was no egg-slicer in the drawers."
10. "I think it should be explained in the brochure that the local convenience store does not sell proper biscuits like custard creams or ginger nuts."
11. "The roads were uneven and bumpy, so we could not read the local guide book during the bus ride to the resort. Because of this, we were unaware of many things that would have made our holiday more fun."
12. "It took us nine hours to fly home from Jamaica to England. It took the Americans only three hours to get home. This seems unfair."
13. "I compared the size of our one-bedroom suite to our friends' three-bedroom and ours was significantly smaller."
14. "The brochure stated: 'No hairdressers at the resort.' We're trainee hairdressers and we think they knew and made us wait longer for service."
15. "When we were in Spain, there were too many Spanish people there. The receptionist spoke Spanish, the food was Spanish. No one told us that there would be so many foreigners."
16. "We had to line up outside to catch the boat and there was no air-conditioning."
17. "It is your duty as a tour operator to advise us of noisy or unruly guests before we travel."
18. "I was bitten by a mosquito. The brochure did not mention mosquitoes."
19. "My fiancée and I requested twin-beds when we booked, but instead we were placed in a room with a king bed. We now hold you responsible and want to be re-reimbursed for the fact that I became pregnant. This would not have happened if you had put us in the room that we booked."
